

Contributions and Charges 2022

CONTRIBUTIONS

In accordance with the Department of Education Contributions, Charges and Fees Policy, schools can request up to a maximum contribution of \$60.00 for Years K-6.

The Nulsen School Council has set a capped contribution per student. A contribution is voluntary. Financial contributions provided by parents/carers play a significant role in the provision of materials, services and facilities used by our students in their educational program, especially in our priority areas of Numeracy and Literacy.

\$60 per child

CHARGES

The term charges refer to the provision of **extra** cost optional activities which are a part of an education program and which contributions do not cover. All of the following are optional and if no payment is received, we will endeavour to provide an educational activity with a similar outcome for that student.

The 2021 extra cost optional activities which have been approved by the School Council are as follows. The estimated costs provided are at an upper limit and will not exceed this amount. If a particular event does not occur within the school year no charges for that event will apply. The School Council has approved all charges.

Excursions Up to 2 excursions per term per class at a maximum cost of \$50.00 for the year. The actual cost is likely to be much less and parents will be asked to pay as excursions occur.	Maximum Cost per Student	\$30.00
Incursions There are usually 3 - 4 cultural activities each year. The maximum cost will be \$50.00 per student, for the year, but will likely be less depending on the actual cost of each. Examples of incursions held in previous years: Blue Back Puppets, Mr Circus	Maximum Cost per Student	\$30.00

Payment Options:

It is usual that parents pay charges as the events to which they relate arise. It does assist with school budgeting and the purchase of resources early in the year for student use, if parents consider full payment of the contribution as soon as possible.

Parents may consider a progressive payment option where contributions, charges and other charges can be paid off. Please contact the office to make suitable arrangements.

NOTE: All contributions, charges, personal items, rates of refunds and additional requests have been endorsed and approved by the School Council.
