All about Nulsen Primary School, a school in which we learn

JOKE OF THE WEEK

Why did the student bring a ladder to school?

Because they wanted to go to high school!

PRINCIPAL'S REPORT

Welcome back to the new year! We're thrilled to see students returning with smiles on their faces and staff reconnecting with students and families. It's been wonderful hearing all the holiday adventures. This year promises to be fantastic, with plenty of school activities planned to engage our students and provide enriching learning experiences.

New Staff

We're excited to introduce some new faces to our team! Kylie Fletcher has joined us as the Manager of Corporate Services and can be found in the front office. With Mrs. Katrina Palmer retiring, Kylie is stepping in to ensure a warm and welcoming environment. Also, joining us are Emily Glasson, our new Year 1/2 Teacher from Port Hedland, and Keighan Roser, our Year 5/6 Teacher from Tamworth, NSW. We're also thrilled to welcome Ms. Jen Christie as our DOTT provider, bringing her expertise to several of our classes. Please extend a warm welcome to our new staff members when you see them around the school.

Open Classroom Afternoon

Don't miss our Open Classroom afternoon this Wednesday! Families are invited to meet the teachers and staff working with their children. Come along from 2:30 pm to chat with teachers, schedule future appointments for more in-depth conversations about your child, and learn about class routines, curriculum programs, and important information. We can't wait to see you there!

PRINCIPAL'S REPORT (CONTINUED)

School Canteen

The canteen is up and running every day, offering a range of delicious options. Just like last year, we're partnering with ESHS to provide this service. Check out the menu included in this email and place your order online using the Spriggy Schools app. Remember, all orders must be placed by 9 am each morning.

School Board

Join us for our next School Board meeting this Thursday afternoon at 4:15 pm. If you're curious about the role of the board and the discussions we have, we encourage you to attend. We'll also be calling for nominations in the coming weeks. Your involvement helps shape the future of our school!

Carparking

Ensuring the safety of our students is paramount, especially during drop-off and pick-up times. Please adhere to car park signage when parking. You may park on the school side of Victoria Street and in the car park on Tchan Street, located to the side of the school. However, we kindly request that you observe the "no parking" and "no standing" signs on the bush side of Victoria Street. Parking on this side of the road obstructs visibility and poses risks to students crossing the road and entering other parked cars.

Closed Turning Circle Gates

As our students readjust to school routines after the holiday break, there may be occasions when we close the turning circle gates to prevent students from leaving the school grounds. Please note that during these times, the gates will not be locked, and access to the school will remain available. We kindly ask that once you pass through the gates, you ensure they are closed behind you. Your cooperation and understanding are greatly appreciated.

Variety Funding

We're excited to share that the Variety Fundraising Group generously donated \$1500 to our school at the end of last year. Initially intended to support families and students with back-to-school essentials, we've decided to allocate these funds to assist families in accessing school uniforms. In collaboration with Esperance Care Services, who help our students and families obtain school supplies, we aim to support those in need of school uniforms. If you require assistance in accessing school uniforms, including t-shirts, jumpers, or spray jackets, please don't hesitate to visit the school office or give us a call. We're here to help!
