JOKE OF THE WEEK

What is the teacher's favourite nation?

Explanation!

PRINCIPAL'S REPORT

I hope this message finds you all in high spirits after a well-deserved break. Welcome back to Term 2! I trust you had a fantastic holiday with friends and family, and perhaps a bit of indulgence in some chocolate delights.

New Additions to Our Team

Firstly, I'd like to extend my heartfelt congratulations to Mrs. Ellie Lane, who will be joining our Leadership team as the Curriculum Leader for 2 and a half days a week. We welcome Mrs. Natalie Miller to Area 3 on Mondays and Tuesdays. Mrs. Miller, a recent graduate teacher, is familiar with our school through relief teaching throughout Term 1. Let's warmly welcome Mrs. Miller as we embark on another term of learning and growth together.

Parking Etiquette Reminder

A gentle reminder to all our parents and caregivers: when dropping off or picking up students, please utilise the designated parking areas. If spaces are limited at the front of the school, we kindly ask that you use the Tchan Street car park. Let's all be mindful to avoid parking in the no-standing zones for the safety and convenience of everyone.

PRINCIPAL'S REPORT (CONTINUED)

Partial School Closure

Next Tuesday, 23rd April, there will be a partial school closure, due to the Union's stop work action. Due to shortage of staff, we have had to close the school for the Years 3-6. This goes until 12:30pm, which students are then welcome to come back to school for the remainder of the day. Years K-2 will come to school as normal, just with a different structure.

Bike Rack Relocation

In efforts to optimise our school's infrastructure, we have relocated our bike racks to the rear of the school, specifically in the bike cage behind Area 17. Please note that this space will be secured at 9 am daily and reopened at the conclusion of the school day

Community Event: Year 6 Sausage Sizzle

Our Year 6 parents are generously hosting a sausage sizzle this Sunday, with all proceeds contributing to this year's Year 6 camp. Your support in attending this event is greatly appreciated as we rally behind our students and their educational experiences.

E-Scooter Safety Reminder

A crucial safety reminder regarding E-Scooters: for the safety of our students, E-Scooters should only be ridden to school under the supervision of an adult. As per regulations, E-Scooter riders must be 16 years or older. Unfortunately, the school cannot accommodate the storage of E-Scooters in our offices or classrooms. Let's work together to ensure the safety of all our students.

Upcoming ANZAC Day Assembly

Next Wednesday, we will gather as a school community for our ANZAC Day assembly. I extend a heartfelt invitation to all families and community members to join us in commemorating this significant event. The assembly will commence at 9 am in the undercover area.

As always, please stay connected with the school by checking your child's bag, utilising Seesaw for communication, or following us on Facebook.

Warm regards,
Krystal Wiggins
