News 1, 20th February 2024

All about Nulsen Primary School, a school in which we learn

JOKE OF THE WEEK

Why did the student eat his homework?

Because the teacher said it was a piece of cake!

PRINCIPAL'S REPORT

We are immensely proud of the sense of community at Nulsen Primary School, where support for one another is second nature. This week, in particular, our unity shone brightly as we navigated the challenges stemming from the fire at ESHS. Through friendship, academic assistance, and standing up for each other, we demonstrated the true spirit of togetherness. We extend our heartfelt gratitude to everyone for being an integral part of our close-knit community.

Healthy Eating:

Families, please remember the importance of providing nutritious lunches for your children. Let's fuel their bodies and minds with foods that build stamina and boost energy levels for effective learning. We kindly request that lunchboxes exclude lollies, chocolates, and other high-sugar treats. Additionally, refrain from including fast food or sugary drinks like soft drinks, flavoured milks, milkshakes, or thick shakes. Together, we can promote healthy habits that support our students' well-being.

School Board:

Our school board plays a crucial role in shaping the direction of our school and ensuring it remains the best place for our students. We are currently seeking new members to join us for either a three-year or two-year term. If you're passionate about supporting our school's priorities and fostering positive connections within our local communities, we encourage you to consider this opportunity.

PRINCIPAL'S REPORT (CONTINUED)

Nulsen Readers:

We are excited to announce that Nulsen Readers will resume next week! If you're interested in volunteering your time to read with our students, please reach out to Krystal. This year, Nulsen Readers will take place every Monday through Thursday. The more volunteers we have, the more opportunities our students will have to develop their reading skills. Your participation can make a significant impact on their literacy journey.

P&C:

Attention all parents and caregivers! The Parents and Citizens Association (P&C) is actively seeking new members to join our team. Whether you can commit to a large or small role, your involvement is invaluable. We invite you to attend our Annual General Meeting (AGM) next Monday afternoon to learn more about how you can contribute. Together, let's work towards creating a supportive and enriching environment for our children.

Congratulations Area 17:

Congratulations to Area 17 for hosting the first assembly of the year! Your confident speaking and poised presentations set a wonderful example for your peers and younger students alike. Keep up the fantastic role modelling!

Tennis Carnival:

Attention all students! Next week marks the eagerly anticipated tennis carnival for the year. We extend our best wishes to all participants as they represent our school on the courts. Remember to have a fantastic time and showcase the new skills you've honed over the past few weeks of practice.

Student Leaders Morning:

Calling all student leaders! Next week, our six student councillors and leaders will join counterparts from across the Esperance Region for a special cultural experience at Lake Mojinup. This event offers a unique opportunity for our students to forge friendships with peers from other schools while gaining valuable insights into effective and culturally sensitive leadership. We're excited to see the growth and learning that will result from this enriching experience.

Car Parking:

A friendly reminder that the Tchan Street carpark is available every morning and afternoon to facilitate smooth student drop-offs and pick-ups. We kindly ask that no cars be parked on the far side of Victoria Street where the "no standing" signs are prominently displayed. Ensuring the safety of our students is our utmost priority, and adhering to these signs is vital in maintaining a safe environment for all. Let's work together to prioritise student safety and ensure their secure crossing of the road. Thank you for your cooperation and attention to this matter.

Please remember to keep updated with school communication. Latest news and updates can be found on the school website, by liking the Nulsen Primary School Facebook Page and connecting in with your child's seesaw page.

Kind regards,
Krystal Wiggins
Principal

ASSEMBLY CERTIFICATE WINNERS

Here are our amazing certificate winners from last weeks assembly:

ECE

Area 2: Shane Lovett & Tyler Gellatly

Area 3: Leshay Van Niekerk & Dawn Rule

JUNIOR

Area 6: Mikael Baesjou & Lilly Green

Area 7: Izi Abucha & Alba Grimmer-Lillo

Area 8: Fraser Fallon & Willowmarie Mott

MIDDLE

Area 9: Doreen Champion & Lachlan Burrage

Area 10: Calliope Turner & Tyler Souter

Area 15: Jaxon Kenward & Isla Abucha

SENIOR

Area 16: Ali Ratima & Brax Ward

Area 17: Tyler Salter & Felicity Souter

AREA 17 SPIEL

FROM MRS LOADER

It has been a busy start in Area 17 with classroom expectations being practised and routines established. We started the term focussing on Nulsen Agreements and what this looked in our classroom, students brainstormed what they wanted to see, this included a respectful environment with a 'have a go' culture. Students have been planning their stories in writing and we hope to have these published this week for families to read. Maths has seen us introduced to Prodigy as well as revision of last years concepts along with some new learning about factors and integers. In health the priority has been working on respectful relationships and what this looks like, in the next week we will be looking at random acts of kindness and how these can look in everyday situations.

Thank you to all families that joined us for the first assembly of the year, students all set their goals and are starting to work towards these. Students chose some wonderful goals, and all tried their personal best at the assembly.

SCHOOL NEWS/EVENTS

At Nulsen Primary School, we have an expectation that all staff and students abide by our 5 Nulsen Agreements. These are Mutual Respect, Personal Best/Personal Responsibility, Attentive Listening, Right to Participate and Appreciations, No Put Downs.

The Agreements form the umbrella statements for our Behaviour Expectations. Staff and students are expected to adhere to these Agreements and show commitment to uphold them, through demonstrating expected behaviour. The Agreements and Behaviour Expectation dot points, provide the common language that all staff and students draw on when discussing their interactions, attitudes and behaviours with each other.

Mutual Respect

We treat others as we would like to be treated

- Use manners, be polite to others.
- Look after school and others' property.
- Respect others' personal bubble.
- Agree on and follow game rules. Be a good sport.
- Keep hands, feet and objects to yourself.

Right to Participate

We attend school and engage in our learning

- Participate in learning activities.
- Attend school and have a go.
- Work towards your learning goals.
- Ask for help when needed.
- Encourage others to join in.

Personal Best Personal Responsibility

We are proud of ourselves and our actions

- Complete all tasks to your personal best.
- Take responsibility for your own choices.
- Be prepared for learning.
- Work towards your own goals, focus on your own progress.
- Move responsibly in all areas.

Attentive Listening

We listen with our eyes, ears and heart

- Follow instructions from all staff.
- Listen and respond appropriately.
- Show whole body listening. Listen with your eyes, ears and heart.
- Wait your turn to speak, hands up during class discussions.
- Use inside/outside voices appropriately.

Appreciations, No Put Downs

We build ourselves and others up with kind words and actions

- Encourage others.
- Use respectful and kind words.
- Compliment or thank people with genuine appreciation.
- Demonstrate good sportsmanship.
- Congratulate others for their achievements and having a go.

EOSHC Notice of Voluntary Suspension February 2024

Escare Incorporated on behalf of Esperance Outside School Hours Care, has made the difficult decision to voluntarily suspend its After School Care and Vacation Care programs until further notice.

This decision has been made as our current coordinator, who we have appreciated greatly, has moved on to another field of employment. There are current staffing challenges in the childcare sector nationwide, relating to recruitment of qualified educators.

Currently, we are actively seeking a suitable coordinator to lead our team and ensure the smooth operation of our program.

We are committed to finding the right candidate as soon as possible to resume providing quality childcare at our service.

We understand the inconvenience this may cause and appreciate your patience and understanding during this time.

We will keep families and the community updated on any developments.

Thank you

Jo Aberle
CEO
