

# NULSEN PRIMARY SCHOOL NEWSLETTER

News 1, 20th February 2024

All about Nulsen Primary School, a school in which we learn

## JOKES OF THE WEEK

How do you get straight A's?  
By using a ruler!

Why did the music teacher  
need a ladder?  
To reach the high notes!

## PRINCIPAL'S REPORT

Last Wednesday, our Year 3/4 students from Area 9 delighted us with a comedy extravaganza, showcasing their best jokes. It was heartwarming to witness their confidence as they took the stage and shared their favourite comedic gems with the entire school. The audience was left in stitches!

### **P&C News:**

A heartfelt thank you goes out to our P&C for their generous donation, providing all of our Kindergarten and Pre-Primary students with Nulsen Primary School Bucket Hats. Each child now has their own personalised hat, complete with their name inside. Not only do they look fantastic, but they're also keeping our students safe from the sun's rays. Your support is truly appreciated!

### **Attendance:**

Attendance to school is of utmost importance for the academic and personal development of our students. Regular attendance fosters a sense of routine and responsibility, ensuring that students fully benefit from the educational opportunities provided. It also plays a crucial role in building strong foundations for future success. We encourage all families to prioritise attendance and to communicate any challenges they may face in attending school regularly so that we can provide appropriate support. Together, let's make everyday count towards a bright and fulfilling educational journey.

# PRINCIPAL'S REPORT (CONTINUED)

## Voluntary Contributions:

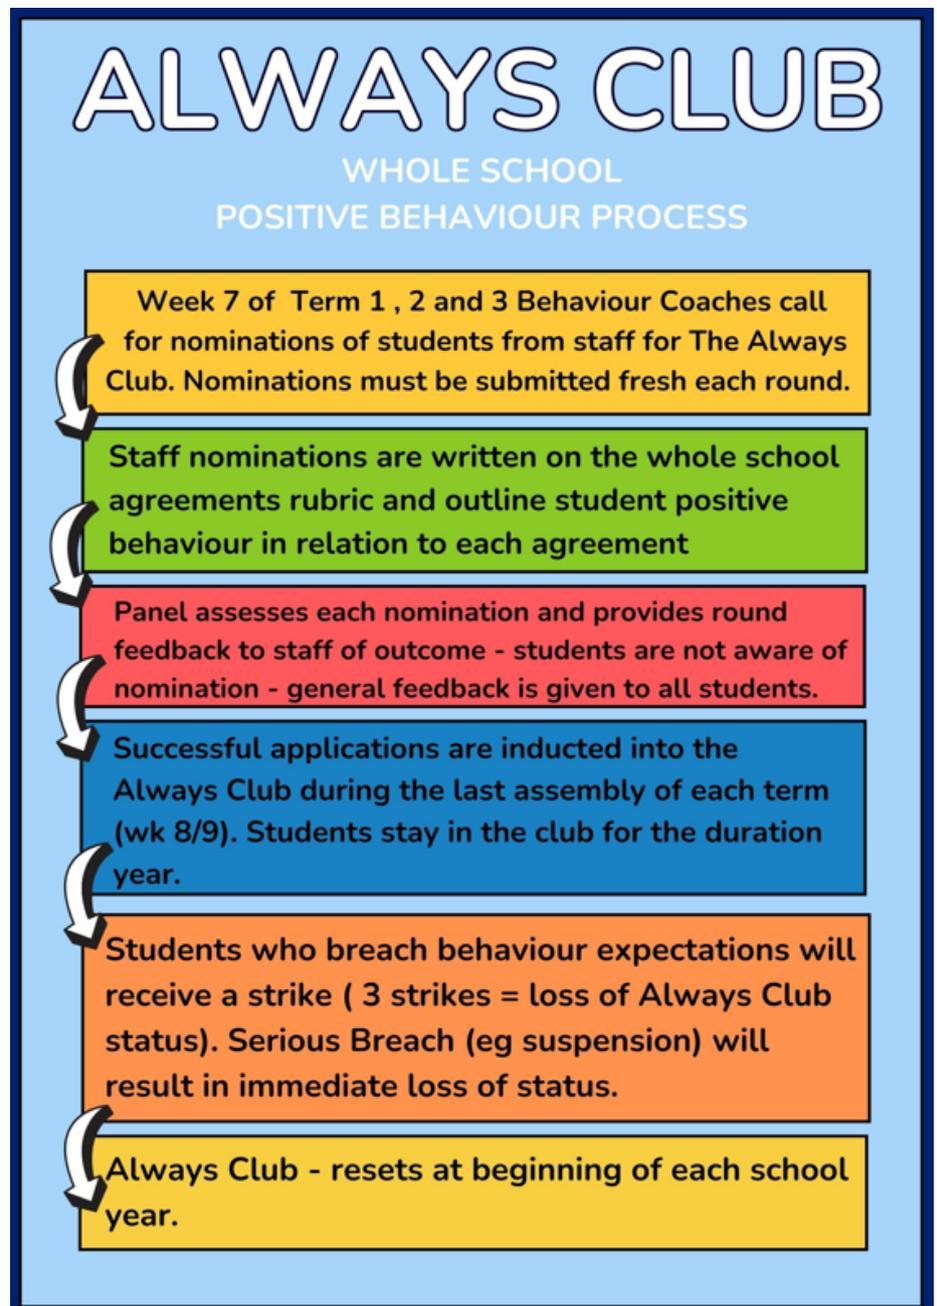

This year, we kindly request a voluntary contribution of \$60 per child from all families. Your contributions play a vital role in meeting the educational needs of our students by supporting the provision of necessary classroom supplies and materials. Your generosity ensures that our classrooms are equipped to provide quality teaching and learning experiences for all students. We appreciate your support in investing in your child's education and the continued success of our school community.

## Nulsen Readers:

We are continuously seeking dedicated volunteers to join our Nulsen Readers program. As a volunteer, your role will involve mentoring a group of identified students, fostering their passion for reading and encouraging a love for literature. The program operates every Monday, Tuesday, Wednesday, and Thursday from 2:10 to 2:50 pm. If you're interested in making a positive impact in our students' lives through reading, please don't hesitate to contact the school. Your involvement is greatly valued and appreciated.

## Always Club:

This week, our staff will be nominating students to become the inaugural members of the 2024 Always Club. The Always Club recognises and celebrates positive behaviour, specifically highlighting students who consistently demonstrate adherence to the 5 Nulsen Agreements: the Right to Participate, Appreciation, Mutual Respect, Attentive Listening, and Personal Best. For more details about the Always Club, please refer to the information provided in this newsletter. We eagerly anticipate inducting our first members and presenting them with their badges at the upcoming assembly.

## **School Board**

Our upcoming School Board meeting is scheduled for this Wednesday (tomorrow). We extend a warm invitation to all family members and community members to join us, as each meeting is open to the public. The agenda for this meeting will focus on several key items, including a review of Term 1, endorsement of the new business plan for dissemination to staff and the wider community for feedback and adjustments, review of board processes such as the Terms of Reference and Code of Conduct, and planning the board's next steps for the year ahead. We encourage your participation in this meeting to share your thoughts, gain insight into the board's operations, and engage in school governance. Your input is valuable as we work together to shape the future of our school community.

## **Running Club Returns!**

We're thrilled to announce that our beloved Running Club is back in action! Starting this week, join us every Tuesday and Thursday morning from 8:00 am to 8:30 am for invigorating runs around our beautiful surroundings.

Whether you're a seasoned marathoner or just looking to kickstart your day with some fresh air and exercise, our Running Club welcomes participants of all levels. It's the perfect way to energize yourself and set a positive tone for the day ahead. So lace up those sneakers and come join us for some fun and fitness!

See you on the track – Next Tuesday (Cancelled this Thursday due to school photos)

## **Student Leaders Morning**

Earlier this term, our exceptional Student Leaders embarked on a memorable journey to Lake Monjinup, joining fellow student leaders from across the Esperance Region for a day of inspiration and growth.

Hosted by Dabungool, the day provided our leaders with a unique cultural experience, offering insights into the rich heritage and traditions of our land. From engaging activities to meaningful discussions, it was a morning filled with learning, camaraderie, and personal development. We're incredibly proud of our Student Leaders for their dedication and enthusiasm in representing our school community.

Remember to keep up to date with school communication. Check your child's bag regularly, like the school Facebook page, and connect with your child through SEESAW.

Kind regards  
Krystal Wiggins  
Principal

# ASSEMBLY CERTIFICATE WINNERS

---

Here are our amazing certificate winners from last weeks assembly:

## ECE

Area 2: Perry Howell & Alicia Ley

Area 3: Nate Lewis & Hugo Green

## JUNIOR

Area 6: Lily McLean & Charlie Jack

Area 7: Andrew Green & Rachel Renfrey

Area 8: Angel Croghan & Kayden Weiss

## MIDDLE

Area 9: Oscar Butler & Kaitlyn Renfrey

Area 10: Caroline Houlahan & Blair Dixon

Area 15: Matilda Bancroft & Jameson Jack

## SENIOR

Area 16: Chloe Parker & Corban Webster

Area 17: Xavier Everett & Ashley Hartill

# AREA 9 SPIEL

## FROM MR LAMPREY

This term in area 9, we have been focusing on The Nulsen Tribes Agreements and establishing a safe learning environment. We take regular breaks whilst learning and play brain break games to get and keep our brains in the learning zone.

Each morning students practise timetables and oral spelling and go over each day's learning experiences. We use whiteboards to demonstrate our understandings, before moving into independent work in journals. Students are supported during independent work, so they can achieve success on the task. This year we have spelling groups, where students go to another teacher and learn spelling at their level and all of Area 9 have enjoyed these groups. We can see the students having a go, using their spelling rules whilst doing independent writing.

Additionally, Area 9 have been working hard on increasing their vocabulary. We practise new words daily in all learning areas and apply them in our writing and discussions.

A stand out for me this term, has been the positive attitudes students demonstrate to their learning daily. They are all very keen learners and all have shown an eagerness to share and further develop their understandings.

I am very excited to see students progress in their learning journey and celebrate all achievements.

Well done Area 9.

# HARMONY DAY

NULSEN  
Primary School

*Everyone Belongs*
